Subject: Octroi office in Anekal Municipality

I have the honour to state that at present the Municipal office at Anekal is located in a room in the Taluk Office Building at Anekal and the accommodation is quite insufficient for the office Added to this, there was no separate place, which was caused a good deed of inconvenience both to the Municipal Staff and the Merchants The Council was at the time of the Municipal office Inspection advised to provide necessary accommodation in this behalf

The Municipal Council Anekal resolved at their meeting held on 5-6-48 to engage for rent the building belonging to one Sri R Rudrappa in the centre of the Town on a Monthly rent of Rs 20/- with effect from 1-6-48 It is also reported by the President that the building in question is big enough and as such it is made use of for distributing the kerosene oil under its supervision and to accommodate the Reading Room, in addition of its being used as Octroi office

As regards the rent it is reported that the same will be met out of the closing balance of the Municipality

Under the above circumstances I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council The resolution of the Municipal Council and the report No M M C 13/48-49 dated 20-7-48 are herein enclosed for favour of kind reference

As there was no separate place for Checking of octroi goods and
in view of the Council Resolution No 11 dated 5 6 48, the present
building which is located in the centre of the Bazar Street was
taken for Rent The shop is also being used for proper distribution
of kerosine oil to the public of the town under the supervision of
the ~~—~~ president and the municipal councillors as there was
many complaints about the distribution of the kerosine oil by the
licensee holders the kerosine oil as soon as it comes to the
town is being stocked in the building and distributed as
stated above this is only a temporary measure and discontinued
early As it was not anticipated at the time of the Budget,
provision could not be made, the same will be met out from
~~the~~ Re appropriation of several Heads of the Expenditure in
the current year and from the closing Balance An Extract of the
Council Resolution is enclosed for kind perusal The building
